

## ***Steps in the Right Direction Award***

### **Career Trek Inc. 2017 Scholarship**

Career Trek Inc. believes that everyone should have the opportunity to attain education and career success. We envision a Manitoba where everyone who wants a post-secondary education gets one. We realize, however, that funding post-secondary education can be a challenge.

In answer to this challenge, Career Trek is proud to offer the ***Steps in the Right Direction Award***. The purpose of the award is to help Career Trek graduates realize their dreams by alleviating economic barriers.

Career Trek and the Winnipeg Foundation are thrilled to provide two recipients with a \$500 award that will be applied directly to the post-secondary institution or apprenticeship program of their choice.

The award recipient is chosen by a volunteer committee, which will take the following criteria into account:

1. Applicants must be a graduate of a Career Trek program.
2. Applicants must confirm their acceptance into a post-secondary institution or apprenticeship program.
3. Applicants must demonstrate financial need.
4. Applicants must demonstrate active contributions to their community.
