

Industrial Arts and Trades Apprenticeship Award

Career Trek Inc. 2018 Award

Career Trek Inc. believes that everyone should have the opportunity to attain education and career success. We envision a Manitoba where everyone who wants a post-secondary education gets one. We realize, however, that funding post-secondary education can be a challenge.

In answer to this challenge, Career Trek is proud to offer the ***Industrial Arts and Trades Apprenticeship Award***. The purpose of this award is to help Career Trek graduates realize their dreams of post-secondary education and training. The successful applicant will be awarded \$400 that will be applied directly to the post-secondary institution or apprenticeship program of their choice.

The award recipient is chosen by a volunteer committee, which will take the following criteria into account:

1. Applicants must be a graduate of a Career Trek program, or be a part-time Career Trek staff member (past or current).
2. Applicants must confirm their acceptance into a post-secondary institution or apprenticeship program.
3. Applicant must be studying in an Industrial Arts Education Program or Trades Apprenticeship Program.
4. Applicants must indicate financial barriers to participating in post-secondary (through completion of Part 2: Financial Information, in which financial need is identified).
5. Applicants must describe active contributions to or involvement with their community (through completion of Part 3: Community Contributions).
